First Friday Breakfast Club is an educational forum that embraces the LGBTQ+ community and its allies as members, nourishes meaningful dialogue through monthly speakers, and cultivates young advocates for equity and inclusion by awarding leadership scholarships to graduating Iowa high school seniors.

November 15, 2026

Dear Iowa High School Guidance Counselor,

Annually, the **First Friday Breakfast Club**, based in Des Moines, awards scholarships to graduating Iowa high school seniors committed to reducing homophobia and increasing awareness and tolerance of lesbian, gay, bisexual, transgender, and queer (LGBTQ+) issues in their schools and communities. Awards will be made in the amount of **\$3,000** per student. **Due to the incredible generosity of our donors, this past year we were able to present 21 scholarships for \$3,000 each to Iowa students!**

Scholarship recipients represent a cross section of students from all Iowa high schools, from urban and rural districts and both public and private schools. These students are leaders in academics, athletics, drama, and art. Each has committed their time and talents to helping others to understand and to appreciate the diversity and contributions their LGBTQ+ friends bring to their schools and communities. There are no restrictions in the selection procedure based upon race, religion, creed, sexual orientation or gender identity/expression of the applicant. **Students are selected based upon academic and personal information and essays submitted in the online application.**

We ask that you please:

- provide the scholarship information from this letter and the enclosed brochure to students who you know who might qualify,
- pass the information on to any other counselors, teachers, or GSA sponsors in your school system who may have contact with qualifying students,
- include this information with all other scholarship application materials.

Our scholarship application is completely **online** and must be completed by March 1, 2027, for any student to be eligible. Please direct any interested students to our website (ffbc Iowa.org) to access the application:

If you have any questions, please contact us at (515) 954-2996 or info@ffbc Iowa.org. We look forward to another year of amazing stories from our Iowa high school students!

Sincerely,

Byron Huff
Board President
